## Winter Preparation

Hello,

The owner lives on-site (tan brick home) and is available quickly. Don't hesitate to ask for anything you need.

Or, call our office at 317-888-6006. If no answer, please leave a message as we do get paged. We have a dropbox for payments or items, located next to the office front door. We check email daily. For outgoing mail, please use the white mailbox at the road, and put the red flag up.

Thank you.

-----  
For anyone staying into freezing weather, the following is important:

**Credit card payments:** We charge a \$10 processing fee to use your credit card for monthly lot payment. To save this, please pay by check, money order or cash. We have a drop box next to the front office door. Do not put cash in the dropbox.

**For skirting:** Please contact the office to get approval for any new skirting you plan to install. We do not allow exposed pink and blue foam board, for example. It has to look good with neutral colors.

**For winter hose preparation:** Preparing your water supply hose and sewer hose is your responsibility. We recommend the no-freeze hose that costs \$100-\$120 from any camping supply store. Your sewer line should have no dips or low points. It is recommended to have it wrapped with a waterproof insulation. If it has dips, it will freeze, and you will back-up. Make sure you have a sealed connection.

**Electric Usage:** It costs \$0.15/hour to run a 1,500 Watt heater. Your electric bill could easily exceed \$100, even \$200, if you use electric heat on a 24-hour basis.

### **Important directions for water taps/hydrants:**

Please understand how to disconnect your hydrant if you will be gone during freezing conditions.

**YOU MUST DETACH YOUR HOSE. PLEASE NOTIFY US SO THAT WE CAN UNSCREW THE YARD HYDRANT.** Please call us for instructions on how to remove water hydrant (317-888-6006).

Again, do not hesitate to ask for assistance. After you do it one time, you will see how easy it is.

**DO NOT JUST TURN THE WATER OFF WITHOUT DRAINING THE SUPPLY PIPE. IT WILL FREEZE AND BURST AND A \$200 FEE WILL BE CHARGED. WE WILL ASSIST - JUST CONTACT US PLEASE**

## Welcome to **INDY LAKES!**

**We hope our information packet answered all your camping questions. We appreciate all comments and/or suggestions. Please see attendant in the office with any questions, concerns or assistance that is needed or call 317-888-6006. Here is some additional information to help direct you to your local surroundings.
